

SBR Ceramics Club

SBR Ceramics Club is open to all SaddleBrooke Ranch residents and offers an introductory class teaching how to clean green ware, glaze fired bisque, and a variety of glazing techniques using fired and non-fired paints and glazes. We also have a slab roller and will offer hand-building classes for those who want to venture beyond the limits of the club's slip molds.

The Ceramics room is open to club members Monday and Wednesday from 9:30 to 3:30 and Friday morning from 9:30 to 12:30, depending on monitor availability. The room is shared with Pottery (SBR Mudslingers), so please be considerate of their club on alternate days and don't enter the room to take care of ceramics business.

An introductory beginner class must be taken before becoming a member. The Beginner Class fee is \$35 and membership is \$30 annually. Currently, there are beginner classes being formed with specific dates published in the Ranch Reminder that is emailed to each resident on Mondays.
