- ALC recommends that homeowners select licensed and bonded contractor and ask for proof of insurance. License status and record of complaints may be obtained from the State Registrar of Contractors at (520) 628-6345.
- A site plan, drawn to scale and completely dimensioned must be submitted showing the location of the pool/spa, the related equipment, its "required screening", set back lines, property lines and the location of the house.
- \$50 ALC permit fee must accompany this application.
- Applicant represents and warrants that the attached information is complete and correct. ALC is not responsible to verify the validity or accuracy of such information,
- If the work requires a permit from Pinal County or other applicable governmental authority, a copy of such approved permit must accompany this application (including without limitation electric and plumbing).
- Permit Number:
- Robson Ranch Mountain LLC has graded your Lot away from the building and to the street. If you change the grade of your lot, the Developer's responsibility for the grading ends.

- A site revisit by the ALC is required prior to issuing a permit. (You might want to schedule this before anything else).
- I understand the views from my Lot are not protected by the SaddleBrooke Ranch CC&Rs, the ALC, or SaddleBrooke Ranch Homeowners Association, Inc. (HOA). The protection of views is a private responsibility between neighbors.
