

Residents,

We would like to share some very important procedural changes that we're making in order to align with the Governor's protocol. This is to ensure the safety of all residents and staff. As the procedures change, we'll be sure to inform you.

Hours of Operation

Monday – Saturday

- Lunch 11am-2pm
- Closed for Mandatory Cleaning 2pm-3pm (curbside service available at this time)
- Dinner 3pm-7pm

Sunday

- Lunch 11am-3pm
- No dinner or curbside offered after 3pm

Reservation Policy: Not mandatory as walk in's are welcome

To reserve a table call 520-219-2164

When making a reservation, please have the following ready:

- First and Last Name
- Number of attendees (no more than 4)
- Time slot desired

In order to adhere to the reduced occupancy and capacity, the number of reservations we can accept will be limited. No more than 4 people will be seated together per table and no additional seats can be added. Reservations will be scheduled every 30 minutes.

Dining Policy:

The main entrance will be the designated entry and exit point. From there, staff will direct you to your assigned table. Upon entering, there will be sanitizing station for residents to use.

Patio seating will be also limited and by reservation only.

During this first phase, we will continue to provide a limited menu for dine-in service.

Payment Policy:

All payment options accepted

Curbside Service and Groceries To Go:

Curbside service will be available for the foreseeable future.

Groceries to go will be available on Monday's and Friday's only

- Grocery option will be limited to the more popular options

Important Additional Safety Guidelines:

To help ensure the safety and well-being of the residents and staff, all F&B Staff will:

- Abide by proper social distancing, disinfecting, cleaning and sanitizing guidelines on a structured schedule.
- Be mandated to wear masks and gloves and abide by strict hand washing policy.
- Be screened for symptoms of COVID-19 upon arrival to work.
- Provide proper sanitizing stations in dining rooms.

While many are anxious to share a warm hug or handshake, we ask that the residents and staff refrain from this type of interaction at this time. Instead, let's share our friendship and gratitude through a wave, thumbs up or something equally as kind in keeping up with social distancing guidelines.

We look forward to seeing you at the Grill for your dine-in or curbside experience.
